Ash and Elm offer affordable accommodations for up to 75 of your friends (and 25 of their vehicles). Facilities include one vault toilet, water, a picnic shelter, a large grill and smaller fire rings, picnic tables, a horseshoe pit, and a volleyball sand pit. For larger groups, please inquire about our Bloomington West group camp.

### Inclement Weather:

- Shower buildings and restrooms are **NOT** storm shelters. However, the brick facilities offer a degree of protection against heavy storms.
- In the event of a Tornado Warning, seek shelter below ground level (ditch/culvert).
- A weather radio is located in the laundry room of the shower building. Periodically check local stations when skies are threatening.

### In Case of Emergency:

- Dial 911
- Directions to area hospitals are located at fee booths and shower buildings.
