

USACE Rock Island How-To for Procurements <\$25K

U.S. ARMY CORPS OF ENGINEERS

BUILDING STRONG.

October 2018

The lists below are a sample of procurements the District has historically purchased at a value up to \$25,000.

The USACE Rock Island District posts all procurements valued at or above \$25,000 at the GPE at www.fbo.gov.

Procurements up to \$10,000 can be purchased at a local level with a Government Purchase Card. Competition and small business programs are not required, but will be considered.

Procurements between \$10,000-\$25,000 the customer can request three quotes from potential vendors and provide to contracting for award to the low bidder. These procurements are not posted to FBO, however, small business and competition requirements do apply.

How can you have the opportunity to provide these items up to \$25,000?

If your company would like to have potential opportunities for procurements under \$10,000 and/or the opportunity to provide bids for procurements up to \$25,000, it is requested that you provide your company information and specific request to the Small Business Programs office at cemvr-sb-web@usace.army.mil. This information will be monitored and provided to the appropriate office.
