

Model Project Partnership Agreement For Section 1135 Projects

Applicability: For project modifications for improvement of the environment undertaken pursuant to Section 1135 of the Water Resources Development Act (WRDA) of 1986, as amended (33 U.S.C. 2309a).

History:

1. New model approved 21 June 2017.
2. 2 April 2019 Update: Updated to include recent ASA(CW) revisions to all new PPAs; updated Instructions to reference implementation guidance for Section 1161 of WRDA 2016; clarified options for Section 1135 transition projects (i.e., updated Option 7 and added a new Option 8); addressed possible conclusion at the end of design; and included various clarifications and editorial revisions.
3. 5 September 2019 Update: Updated to provide editorial revisions and clarifications.
