

Section 1024 Memorandum of Agreement (MOA)

Applicability: The Section 1024 (Section 1024 of WRRDA of 2014, as amended by Section 1153 of WRDA 2016) MOA template(s) will be used when a District agrees to accept and use materials, services, or funds contributed by non-Federal public entity, a nonprofit entity, or a private entity for the purpose of repairing, restoring, replacing, or maintaining a water resources project if the District Commander determines that there is a risk of adverse impacts to the functioning of the project and that acceptance of the materials, services, or funds is in the public interest. Prior to execution of the MOA(s), the district must develop a plan for use of the contributions.
