Creating a Post Disaster Community Recovery Toolkit

Matt Campbell
FEMA National Coordinator for Community Planning and Capacity Building Recovery Support Function
Need

• Consistent challenges
• Opportunities lost!!!!
• Experiences
• Lots of information and interest, but fractured
• National Disaster Recovery Framework Community Planning and Capacity Building Recovery Support Function
National Disaster Recovery Framework

• Defines roles and responsibilities

• Promotes the establishment of post-disaster organizations to manage recovery

• Promotes a deliberate and transparent process that provides well-coordinated support to the Community

• Offers strong, focused recovery leadership at the State and Tribal level, supported by strong Federal recovery leadership

• 6 Recovery Support Functions: CPCB, Housing, Infrastructure, Health and Social Services, Natural & Cultural, Economic
Scope of Community Recovery Toolkit

• Focus on local leaders, agencies, managers and practitioners

• Primary focus – leading, organizing, planning, managing recovery

• Mitigation focus – Include key post event mitigation management and planning elements.
  Link to full mitigation toolkits of partners
