MEMORANDUM FOR Commander, South Atlantic Division (CESAD-CM-CM)

SUBJECT: WRDA 2000 Implementation Guidance, Comprehensive Everglades Restoration Plan (CERP), Section 601(h)(4), Specific Project Assurances

1. The following is implementation guidance regarding Specific Project Assurances under CERP, Section 601 (h)(4). This issue is identified in the "CERP Implementation Guidance Status" from SAJ as issue SAJ #15.
2. The text of relevant portions from Title VI of WRDA 2000 is attached.
3. The District must develop procedures and process for assuring that each existing and future Project Implementation Reports comply with subsections 601(h)(4)(A)(iii)(I), (II), (III), (IV), (V), (VI), (VII), and (VIII) of WRDA 2000. In addition, all projects must be developed to comply with the Economic and Environmental Principals and Guidelines for Water and Related Land Resources Implementation Studies, and Army Corps of Engineers policies. The District should work with the project sponsors and the Florida Department of Environmental Protection through the various Project Delivery Teams to develop and incorporate these requirements into each Project Implementation Report, PCA, and operating manual. The District must also to revise the Master Program Management Plan to be consistent with these provisions and ensure that project delivery teams for ongoing Feasibility Studies and Project Implementation Reports incorporate these provisions.
4. As agreed to at recent meetings between SAJ, SAD, HQUSACE, Army General Counsel and South Florida Water Management District, the District should continue on a course to develop a Master Agreement for Local Cooperation for CERP projects. This will enable the rapid execution of Project Cooperation Agreements for specific projects, as these individual projects become ready for construction or implementation.
5. If you have further questions, please call Howard Goldman (CECC-G) at 202-761-8544.
