

ARMY CIVIL WORKS PROGRAM
 FY 2021 WORK PLAN
 FORMERLY UTILIZED SITES REMEDIAL ACTION PROGRAM (FUSRAP)

State	Division	Project or Program	Amount	Summary of Work to be Accomplished
IA	MVD	IOWA ARMY AMMUNITION PLANT, IA	8,600,000	Process and sort 16,000 cubic yards of Depleted Uranium (DU) Contaminated soil with 3,400 cubic yards of DU contaminated soil shipped for disposal.
IN	LRD	JOSLYN MANUFACTURING AND SUPPLY COMPANY SITE, FT WAYNE, IN	1,000,000	Conduct Remedial Investigation field sampling, and begin preparation of Remedial Investigation report.
MD	NAD	W.R. GRACE & CO., CURTIS BAY, MD	3,200,000	Funds will be used to provide oversight of Remedial Action activities at Building 23 in accordance with the Settlement Agreement.
MO	MVD	LATTY AVE. PROPERTIES, HAZELWOOD, MO	2,550,000	Develop Institutional Controls under Futura Bldgs. Continue environmental monitoring. Award remediation contract to remove contamination under Futura Site fence adjacent to railroad tracks.
MO	MVD	ST. LOUIS AIRPORT SITE VICINITY PROPERTIES, ST. LOUIS, MO	34,550,000	Excavate and dispose of 35,000 cubic yds of contaminated material. Release ninety five (95) properties.
MO	MVD	ST. LOUIS AIRPORT SITE, ST. LOUIS, MO	50,000	Continue site monitoring and maintenance activities.
MO	MVD	ST. LOUIS DOWNTOWN SITE, ST. LOUIS, MO	25,600,000	Excavate and dispose of 10,000 cubic yards of contaminated material. Release five (5) properties.
NJ	NAD	DUPONT & CO., DEEPWATER, NJ	47,000,000	Continue remediation activities at the site. Excavate and disposal of approximately 28,000 cubic yards of contaminated material.
NJ	NAD	MAYWOOD SITE, MAYWOOD, NJ	16,000,000	Continue Remedial Action activities according to the soils and groundwater RODs. Excavate and dispose of 28,000 cubic yards of material.
NJ	NAD	MIDDLESEX MUNICIPAL LANDFILL, MIDDLESEX, NJ	500,000	Complete Proposed Plan for the Middlesex Municipal Landfill Site and start Record of Decision activities.
NJ	NAD	MIDDLESEX SAMPLING PLANT, MIDDLESEX, NJ	7,350,000	Complete Proposed Plan . Continue groundwater monitoring. Contract acquisition and funding for Remedial Action. Excavate and dispose of 1,000 cubic yards of contaminated material.
NY	LRD	FORMER GUTERL SPECIALTY STEEL CORPORATION, LOCKPORT, NY	500,000	Complete the feasibility study and proposed plan. Perform annual groundwater sampling and analysis to detect potential contaminant migration.
NY	LRD	NIAGARA FALLS STORAGE SITE, LEWISTOWN, NY	4,600,000	Finalize Proposed Plan for the Balance of Plant (BOP) operable unit (OU) (including groundwater) , start the Record of Decision (ROD) drafting process and continue the Vicinity Properties H-Prime RI Report. Continue contract acquisition planning for the IWCS OU remedial design. Continue site security and monitoring controls.
NY	LRD	SEAWAY INDUSTRIAL PARK, TONAWANDA, NY	15,100,000	Conduct contract acquisition activities for Remedial Action. Provide project management, stakeholder coordination and outreach actions.
NY	NAD	STATEN ISLAND WAREHOUSE, NY	3,500,000	Contract procurement and investigation activities for the Site.
NY	NAD	SYLVANIA CORNING PLANT, HICKSVILLE, NY	1,500,000	Complete the Supplemental Soils Remedial Investigation (RI).
NY	LRD	TONAWANDA LANDFILL, NY	650,000	Complete Site Close Out Report (SCOR) and plan for future administrative and project file transfer to Department of Energy.
OH	LRD	FORMER HARSHAW CHEMICAL CO., CLEVELAND OH	500,000	Complete the Record of Decision (ROD) and continue public outreach activities.
OH	LRD	LUCKEY SITE, LUCKEY, OH	50,000,000	Conduct soils and building remediation activities, fieldwork oversight, and perform annual groundwater sampling, testing and reporting activities. Award task orders to remediate approximately 30,000 cubic yds of contaminated soil and building debris.
PA	LRD	SHALLOW LAND DISPOSAL AREA, PARKS TOWNSHIP, ARMSTRONG CO.,	26,500,000	Maintain physical site security, operations, and maintenance; and prepare remediation work plans. Resume infrastructure improvements.
PA	LRD	SUPERIOR STEEL SITE, CARNEGIE, PA	500,000	Continue Remedial Investigation report activities, stakeholder coordination and outreach actions.
XX	HQ	FUSRAP POTENTIAL SITES	250,000	Assessment and Coordination for Potential Sites and respond to DOE-LM requests.
		TOTAL	250,000,000
