Guidance for Submittal of Delineation Reports to the Walla Walla District Corps of Engineers

NOTICE OF GUIDANCE.

The Walla Walla District Regulatory Division has issued guidance on conducting aquatic resource delineations and submitting delineation reports for regulatory purposes in Idaho. It supplements and emphasizes information in the 1987 Corps of Engineers Wetland Delineation Manual and applicable regional supplements.

APPLICABILITY.

This guidance applies to all wetland delineation reports submitted in Idaho for concurrence by the Corps of Engineers, Walla Walla District, Regulatory Division. The District has established this guidance to ensure consistency and accuracy in delineation reports and to aid the District in the verification of a delineation report.

If you have questions about the guidance, please contact:
Shane Skaar at (208) 433-4476 or via e-mail at shane.k.skaar@usace.army.mil.
