

PUBLIC NOTICE

**US Army Corps of Engineers
Kansas City District**

**Project No: 2019-002-CW
Issue Date: 2019-08-28
Close Date: 2019-09-27**

The U.S. Army Corps of Engineers, Kansas City District, has prepared a draft Master Plan for Tuttle Creek Lake with an Environmental Assessment and a Finding of No Significant Impact (FONSI) that are available for public review. These documents were prepared in accordance with the National Environmental Policy Act, and existing Corps policy and regulations.

Tuttle Creek Lake is a multi-purpose project located in Riley, Pottawatomie, and Marshall Counties, Kansas. The prior Master Plan for the project was prepared in 1984. Since that time, recreational use patterns and populations of surrounding towns have changed. In addition, the regulations guiding master plans have also changed

The Corps is soliciting public comments on the draft Master Plan, Environmental Assessment and FONSI during a 30-day review period that opens August 22, 2019 and closes September 21, 2019. Two public meetings will be held on September 5, 2019. The first is between 11:00am to 1:00pm at the Randolph VFW Hall, 202 E. Randolph St, Randolph, KS 66554. The second meeting will be held between 4:00pm and 6:00pm at the Manhattan Fire Department. The fire department is located at 2000 Denison Ave., Manhattan, KS 66502. These documents are available for review on the Corps' website at www.nwk.usace.army.mil/Media/PublicNotices.aspx. The reports may also be obtained by contacting Mr. Curtis Hoagland, Environmental Resources Specialist, by telephone at (816) 389-3401 or by email at curtis.r.hoagland@usace.army.mil. All comments should be directed to the above email
