To Whom It May Concern:

Pursuant to the National Environmental Policy Act and U.S. Army Corps of Engineers (Corps) Regulation (33 CFR 230.11 and 40 CFR 1501.4(e)1), this letter constitutes the Notice of Availability of the proposed Finding of No Significant Impact (FONSI) for the update to the Lake Okeechobee and Okeechobee Waterway Shoreline Management Plan. The Shoreline Management Plan is applicable to all project lands owned in fee and easement by the Corps at Lake Okeechobee and the Okeechobee Waterway beginning at St. Lucie Lock and Dam in the east and ending at W.P. Franklin Lock and Dam on the west end of the project. Enclosed is the proposed FONSI and project map.

The FONSI (attached) is also available on the Corps, Jacksonville District website at <http://www.saj.usace.army.mil/About/DivisionsOffices/Planning/EnvironmentalBranch/EnvironmentalDocuments.aspx>. Comments are welcome within 30 days from the date of this letter and should be addressed to the letterhead address, to the attention of the Planning Division, Environmental Branch. If you have any questions or comments, please contact Ms. Jennifer Alexander by email at Jennifer.L.Alexander@usace.army.mil.

Sincerely,

A handwritten signature in cursive script that reads "Angela E. Dunn".
