30-DAY Extension

PUBLIC NOTICE
EXTENSION OF THE COMMENT PERIOD ON THE
DRAFT ENVIRONMENTAL IMPACT STATEMENT
FOR THE HALLIGAN WATER SUPPLY PROJECT

Notice
The U.S. Army Corps of Engineers (Corps), Omaha District, is announcing the extension of the comment period for the Draft Environmental Impact Statement (EIS) for the Halligan Water Supply Project. In accordance with 40 C.F.R. 1506.6, the Corps published a Notice of Availability for the Halligan Water Supply Project Draft EIS in the Federal Register on November 22, 2019. In addition, the Corps posted a matching Public Notice on the Omaha District Regulatory web site. The Federal Register Notice identified the length of the public comment period as 66 days, concluding on January 27, 2020.

Since the publication of the Notice of Availability and the Public Notice, the Corps has received requests to extend the comment period. After reviewing the requests, the Corps has determined that an additional 30 days is warranted. The extended comment period will close on February 26, 2020. All written comments on the Supplemental Draft EIS must be submitted by February 26, 2020 to Mr. Cody Wheeler, Halligan Water Supply Project EIS Project Manager at the U.S. Army Corps of Engineers, Omaha District, Denver Regulatory Office, 9307 South Wadsworth Boulevard, Littleton, CO 80128 or to email address NWO.HalliganEIS@usace.army.mil.
