To Whom It May Concern:

Pursuant to the National Environmental Policy Act (NEPA) and the U.S. Army Corps of Engineers (Corps) Regulation (33 CFR 230.11), this letter constitutes the Notice of Availability of the draft Environmental Assessment (EA) and Proposed Finding of No Significant Impact (FONSI) for the operation and maintenance dredge of the Okeechobee Waterway from the intersection with the Intracoastal Waterway to the St. Lucie Lock and Dam in Martin County, Florida.

A copy of the draft EA is available to the public on the Corps' Environmental planning website, under Martin County:
<http://www.saj.usace.army.mil/About/DivisionsOffices/Planning/EnvironmentalBranch/EnvironmentalDocuments.aspx>

(On that page, click on the "+" next to "Martin County" and scroll down to "Martin County, Okeechobee Waterway from the Okeechobee Waterway/Intracoastal Waterway Crossroads to the Saint Lucie Lock" The documents available for download include the draft FONSI, draft EA, and associated appendices).

Due to current circumstances with COVID-19, the Corps is requesting that any questions or comments you may have be submitted in writing via email to Michael.Ornella@usace.army.mil within 30 days of the date of this letter. Correspondence may also be sent to the letterhead address above, however due to limited staff availability at the District office, electronic submittal comments via email is preferred.

Sincerely,

A handwritten signature in blue ink that reads "Angela E. Dunn".
